Financial Figures for the year 2006

The annual account of the year 2006 for the Einhell group was stated by the supervisory board.

The group turnover has been increased from €387,1million in 2005 to €411,8million in 2006 (+ 6.4%).

Earnings before tax have reached €23,8million (previous year €22,3million).

The net income after minority's interest has reached €16,3million compared to €14,7million in 2005.

For this reason Einhell has realized a new record in turnover as well as in net income.

On the basis of this enjoyable development in net income the dividend shall be increased. At the annual general meeting a dividend of €0.80 per preferred share and €0.74 per common share will be recommended.

The supervisory board agrees to the dividend proposal of the board of directors.

For the current year 2007 actual business development is fully in line with Einhell group's planning.
