

Einhell Germany AG set up a subsidiary company in Slovakia

On 26 August 2008 the company Einhell Slovakia s.r.o. was recorded in the commercial register and the foundation was completed. With foundation of this subsidiary the Einhell-Group wants to assure a better service for the Slovak Market by closeness to the customers. In the past, the business with Slovak customers was managed by the Czech subsidiary Einhell Unicore s.r.o. In the future this business will be done by Einhell Slovakia s.r.o.
