

## **„Ad hoc announcement according to § 15 WpHG“**

### **Business development in 2010**

In the context of the Small Cap Forums in Frankfurt, Einhell Germany AG announces that there is a very solid business development in the first months of the business year 2010.

Due to the achieved turnover and profit Einhell group has reached its planning level by 31<sup>st</sup> March 2010.

In addition, improved market conditions may positively affect the development of the sales and earnings during the year.

The balance sheet and profit and loss statement of the business year 2009 are immediately available on our homepage [www.einhell.com](http://www.einhell.com).
