Business development in 2010

Einhell Germany AG (ISIN: DE0005654933) which is listed under Prime Standard of Deutsche Börse AG announces the following:

Einhell Germany AG will announce at the general annual meeting on 18 June 2010 that the group turnover will reach about Euro 185 million (previous year Euro 181.5 million) in the first 6 month of the financial year 2010. This corresponds to an increase of approximately 2%.

Earnings before tax will probably reach a profit margin of around 5 to 6%.

In view of the difficult worldwide conditions this shows a positive development for the first half of 2010.

For the whole business year 2010 Einhell expects an ongoing stable business development and a positive improvement of profitability.

In addition, improved market conditions may positively affect the development of the sales and earnings.
