### **Preliminary financial figures 2016**

Einhell Germany AG (ISIN: DE 0005654933) which is listed under Prime Standard of Deutsche Börse AG announces the following preliminary figures:

The Einhell Group achieved a record turnover in the past financial year. For the financial year 2016, the Einhell Group generated revenues of € 487.2 million in comparison with the previous year of € 443.8 million. This is equivalent to an increase of 9.8%.

Earnings before tax amount to € 17.0 million (previous year € 11.8 million) with a pretax yield of 3.5% (previous year 2.7%). Without considering effects out of the Purchase Price Allocation (PPA) earnings before tax amount to € 18.8 million (previous year € 13.7 million).

The result from ordinary operations is thus about EUR 2.0 million above the released forecast. The planned disposal of our subsidiary in Brazil could not yet be completed as expected in 2016. This means that the expected effect from deconsolidation could not be processed in 2016.

The net income after minority's interest amounts to € 9.3 million (previous year € 7.4 million).

The profit per share after minorities interest is calculated to € 2.5 (previous year € 1.9).

The Einhell Group continues to show up a very solid balance sheet structure with an equity-ratio of around 51%.

Forecast:

For the business year 2017, the Einhell-Group assumes an increase in turnover to around € 500 million and profitability before taxes of around 3.6% after PPA (around 4.0% before PPA).
