
„Ad hoc announcement according to Article 17 MAR“

Preliminary financial figures for the first half 2017 and forecast to 31 December 2017

Einhell Germany AG (ISIN: DE 0005654933) which is listed under Prime Standard of Deutsche Börse AG announces the following preliminary figures:

In the first half 2017 the Einhell Group will generate revenues of about € 280 million in comparison with the previous year of € 248.8 million. This is an increase of about 12%.

Earnings before tax without considering effects out of the Purchase Price Allocation (PPA) will be around € 20 million (previous year € 11.8 million). Earnings before tax will be around € 19 million (previous year € 10.9 million). The pre-tax yield is 6.8% (previous year 4.4%).

Forecast:

For the remaining financial year the Group expects a further positive business development. Political uncertainties in some countries induce a careful forecast.

From today's point of view the Group expects an increase in revenue of about 8% to 10% in comparison to the previous year. The forecast for the pre-tax yield before PPA-effects (about € 1.8 million) will rise to about 6.0%.
