## Information of the Einhell Group

---

### **Sales and earnings reached a new record high in the first half-year of 2018**

---

#### **Record turnover**

---

Innovative products for do-it-yourself have significantly increased sales in the worldwide operating Einhell Group. Especially the cordless battery-driven devices of the Power X-Change range accepted very well from our customers.

In the first half-year of the year 2018 Einhell generated revenues of € 309.6 million (previous year € 280.5 million). Even though currency effects had a negative impact on revenue of € 12.8 million, revenues increased around 10.4% compared to the previous year.

---

#### **Significant increase in earnings**

---

The Einhell Group generated profit before taxes of € 23.7 million (previous year: € 19.2 million) from January to June 2018. The pre-tax margin amounts to 7.7% (previous year: 6.8%).

Purchase price allocation (PPA) effects squeezed earnings by € 0.8 million. Adjusted for PPA effects, profit before taxes amounts to € 24.5 million and the pre-tax margin is 7.9%

The earnings situation thus improved further compared to the previous year.

The net income after minority's interest amount to € 17.0 million (previous year: € 12.4 million) in the period under review. The profit per share amount to € 4.5 (previous year € 3.3).
